Dear Sir:

Responsive to the Notice of Action dated October 26, 2004

**REMARKS:**

In response to the requirement for restriction, the applicant provisionally elects the Examiner's Group II, Claims 15 through 20 drawn to a kit. Reconsideration of the requirement for restriction however is respectfully requested. The restriction between Groups I and II is therefore traversed.

Having considered the Examiner's arguments, it is respectfully submitted that the Examiner's Groups I and II are not distinct in the manner suggested. First the Examiner states that the invention relates to a process of making and a product made in accordance with section 806.05(f) of MPEP. This however is incorrect as the process according to claim 1 does not result in
